

**The current shimmered, then parted like
curtains on a stage.**

**Luna gave a proud nod. "Atlantis is just ahead.
But... the final test awaits."**

Luna gave a graceful flip and called out, "See you next time! Don't be strangers!"

"And bring more biscuits!" Bubbles added with a laugh, hugging her crab sidekick, who gave a proud little clack-clack of approval.

"Don't forget to sparkle!" giggled Coral, blowing a kiss.
